### Agenda Item 4: Update on Current Contracts

#### 4.1: 2004/05 – 2007/08 National School Drug Education Strategy (NSDES) / Drug Education Forums Project

- QSDES Lead Project Officer reported the following:
  - Residual funding from the NSDES 2004/05 – 2007/08 and the Drug Education Forums 2004/05 – 2007/08 contracts was used in a new project to give support to schools in Social and Emotional Learning (SEL).
  - Final reports for these projects will be received by Education Queensland before 26 June 2009.
- Executive Officer – QCEC reported the following:
  - Funding went to the dioceses, individual schools, Religious Institutes and Catholic Systemic Schools.
  - A total of 49 Catholic Schools participated across Queensland.
  - Early feedback and evaluations state that the money received has been greatly appreciated and used effectively
- Manager, Education Services ISQ reported the following:
  - There are 12 projects currently being conducted.
  - There was a planning day in February which was a great success
  - The midpoint project reports are due 26 June.

- Final reports are due at the ISQ Student Wellbeing Forum on 22 & 23 October 2009 where the schools will present their final case studies.
- This is ISQ's 6<sup>th</sup> year of case studies with a minimum of 6 schools participating per year. They are concerned that the case studies may not be able to continue beyond 2009 with the changing funding structure.

**Action 4.1.1** Details of the ISQ Student Wellbeing Forum 22 & 23 October to be sent out to members

#### **4.2: 2008/09 Ecstasy and Related Drugs (ERDs) Breakfast Seminar Series**

- Executive Officer – QCEC reported the following:
  - There were eight seminars in total. One in August 2008 and the other seven throughout February and March 2009.
  - Although fewer than expected, a total of 254 teachers and school leaders attended the seminars.
  - Feedback confirmed the success of the seminars. The attendees expressed an interest in staying up-to-date with the latest information and the future activities of the presenter.
- Manager, Education Services ISQ reported the following:
  - Teachers and school leaders dealing with senior students were targeted.
  - The seminar specifically addressed information relating to ecstasy relevant to senior school students.
  - Paul Dillon presented all Queensland seminars.
- Discussion regarding the success of the day proceeded.

#### **4.3: 2008/09 Indigenous Rural and Remote Initiative (IRRI)**

- Manager, Education Services ISQ reported the following:
  - This contract supports students in remote areas.
  - Curriculum units in Drug Education for Year 7 students who will be moving into Year 8 next year and moving into boarding schools have been created.
  - In 2009 the units will be implemented in schools
  - If further funding is available in 2010, students will be tracked as they move into the boarding schools
  - There are 3 curriculum units which make up the *Helping Hands* project which address:
    - Resiliency
    - Alcohol; and
    - Cannabis and tobacco
- Discussion regarding other projects running in the area proceeded.

**Action 4.3.1** DEEWR PaCE Program information sheet to be sent to all members

#### **4.4: 2008/09 National School Drug Education Strategy**

- QSDS Lead Project Officer reported the following:
  - This contract is different to previous contracts. EQ & QCEC are working collaboratively however ISQ is conducting projects independently.
  - EQ/QCEC project is building on the level of interest in the workshops held in October 2007, a second round of *All REDI for the Early Years of Schooling* one-day workshops will be offered throughout Queensland in August and September 2009.
  - The facilitator training day will be held on 23 July.
  - Registrations for the workshops have now opened and registration forms are available on the website <http://education.qld.gov.au/health-safety/promotion/drug-education/bulletins/2009-redi-workshop.html>
  - 3 Key stakeholder forums are currently being planned and will be conducted in June 2009 with the Queensland Health Alcohol Tobacco and Other Drugs (ATOD) Prevention Officers.
  - They will be held in the ATOD regions, including Brisbane, Rockhampton and Cairns.
