

Dear

Subject: Young Citizens Program – Local Government – Role Play Year 4

Thank you for taking part in Council's Young Citizens Program recently, we are keen to make sure it meets your needs as much as possible.

I would be very grateful if you could take the time to answer the attached questionnaire and mail your responses to me as soon as possible. We're particularly interested in your suggestions to improve the Program, so please feel free to take as much space as you need.

If you have any questions, please ring me on my direct line 3829 8580.

Thank you for your help.

Yours sincerely

Frances Natrass

School: School

Year/s or age group/s involved in the Young Citizens Program:

Year – Local Government Role-Play –year 4

Date/s of involvement: 2002

One of our key objectives is to provide information which is relevant to key curriculum areas. Which curriculum area/s did you cover during your involvement in the Program? (Please circle)

Studies of Society and Environment (SOSE)

Health and Physical Education, The Arts, Science, Technology, English

Each curriculum area covers a variety of topics; for example, in Year 4 students learn about rules as part of their Studies of Society and Environment.

Which topics were you covering during your involvement in the Program?

Were these topics adequately covered during your involvement?

If not, do you have any suggestions for improvements?

Different age groups have different needs; was the material or information we provided right for your students? If not, how could it have been improved? For example, could it have been shortened, or was it too easy?

Overall, what were your impressions of Council's Young Citizens Program, and do you have any suggestions for improvement? Please take as much space as you need.

Thank you for your time; please return your responses to me as soon as possible:
