Visual features

Sheet 8

View your chosen film clip, or a different one, and answer the following questions about the use of visual features to express ideas about Australia's peoples and cultures.

1. Identify five visual images from the film clip and list them below. Explain how they are symbolic in the scene.

Visual images	What do they symbolise?
For example: gold wristwatch	wealth, class, status, role in society, modern culture

2. Explain how the visual features that create the settings work to communicate ideas about representations of Australia's people and culture.

3. Explain how the visual features of the film clip create representations. Choose one scene and identify and explain the effects of the visual features

Visual feature	Example from the text	Explanation
framing		
camera angle		
shot size		

Visual feature	Example from the text	Explanation
use of colour and lighting
