

## ONLINE CARTOONING COMPETITION 2007

### Draw a “Bilby” cartoon avatar

---

#### The Competition Task

Students are asked to draw an avatar (cartoon persona) for a bilby. To create the avatar we need you to create a set of drawings to represent a bilby character on the Learning Place cartoon character bank, and on. This can be easily done by drawing the bilby’s face and simply editing and saving each new expression. You can draft your drawings on the back of this page – the expressions for each drawing are given.

---

#### How to enter your students’ avatar drawings:

- **Image format:** Character images must be 100 pixels wide x 110 pixels high, in .gif format with transparent background (shown as grey/white checkerboard behind images).
- **Image size:** Images must be 20k or less in size.
- **Submitting student entries:** Simply go to the Online Cartooning Competition Project Room and open the Blog. Create a Blog entry containing your 13 Ernie avatar cartoons.
- **Uploading your cartoons to the Blog:** Read the cartooning instructions.
