The authors gratefully acknowledge the assistance of the members of the reference group and the organisations they represent:

Independent Schools Queensland

Queensland Catholic Education Commission

Queensland Studies Authority

Department of Employment and Training

Queensland Secondary Principals' Association

Association of Principals of Catholic Secondary Schools of Queensland

Association of Heads of Independent Schools of Australia (Qld branch)

Officers of the Department of Education and the Arts coordinated the project, designed the questionnaire, boosted the response rate through marketing the survey and arranging outreach to Indigenous young people, and assisted throughout the fieldwork and preparation of the report.

The authors also acknowledge the extensive role played by the Office of the Government Statistician, which conducted the fieldwork and prepared the data file for analysis.

We also extend our thanks to the many thousands of Queensland Year 12 graduates who gave up their time to complete surveys and participate in telephone interviews.

This research is funded by the Queensland Government.
