Every person who completed Year 12 or equivalent in Queensland in 2009 is being asked to participate in this survey. This is your chance to provide information that will benefit future students and put you in the running to win one of **25 iPod touches**.

The survey asks what you are doing now in terms of study, employment or other life choices. This will provide useful information to educators and government on the preparedness of students for taking up opportunities after finishing school.

We respect your privacy and your answers are strictly confidential. No information identifying you will be passed on to any other organisation. Statewide, regional and school reports will only contain summarised information.

The information is being collected by the Office of the Government Statistician and is protected by the *Statistical Returns Act 1896*, which means that legal penalties apply to anyone who releases your responses in a way that would identify you.
