## NOTES

Days of the school year are numbered consecutively from 1 to 198 excluding the non-contact days for teachers when students are not required to attend. Schools are not open for operation on weekends and as such, those days are not shown on this calendar.

Semester 1 2007 commences for students on Monday 29 January and on Wednesday 24 January for teachers.

**SFD** **STUDENT-FREE DAY:** Non-contact (student-free) days for teachers to undertake professional development activities are Thursday 25 January, Monday 16 April, Monday 9 July and Monday 22 October. Teachers are required to be on duty for a further, locally arranged, non-contact day (Ministerial special holiday for students, usually taken in association with a local show or carnival). Permanent part-time teachers not rostered and called in on this additional day must be paid from local school funds.

**PUBLIC HOLIDAYS:** Public holidays, set by the Minister for Industrial Relations, are proposed only. Gazetted public holidays for a local show or carnival are not shown due to diversity of dates across the state. Public holidays are gazetted by the Department of Industrial Relations in October/November each year.
