

# Indigenous Enrolments at Queensland State Schools, by Year Level

## Reports and statistics - February Collection

- A total of 41,888 full-time Indigenous students were enrolled in Queensland State Schools as at February 2011.
- This represents an 11.0 per cent growth in enrolments of Indigenous students from 2007 to 2011. This growth is partly attributable to the progressive introduction of the universally available Prep Year.
- In 2011, 27,870 indigenous students (66.5 per cent of state school Indigenous students) were enrolled in primary year levels and 13,749 indigenous students (32.8 per cent) were enrolled in secondary year levels. There were 269 Indigenous students (0.6 per cent) enrolled in special schools.
- Prep trials were conducted in 2005 and 2006, and a half cohort of Prep was introduced in 2007 to align with the shift in the compulsory school starting age from 2008. The first full Prep cohort commenced in 2008. The introduction of the universally available full-time Prep program replaced the part-time preschool program in Queensland.

**Indigenous Enrolments in Primary Year Levels, 2007-2011, February Collection**
