Bundilla and Murrumba Downs (Prep – 7)                      (7 – 12)	2012	It is anticipated that the principal will be appointed during the later half of 2011 (usually around July) to assist with the final stages of construction and fit-out program. The Principal will also manage many other issues including enrolment enquiries and any special education programs associated with the new school.  Unfortunately, no further enrolment information is available until the Principal is appointed.
