Please call staff at your local school or regional office if you have any general questions about schooling for your child.

If you don't know which Education region you are in, call the general Education Queensland phone number (07) 3237 0111, and ask for information about which regional office to contact based on where you live.

Alternatively you could visit the schools directory at:

<http://education.qld.gov.au/directory/schools/index.html> or the consult the regional maps available at:
