## Premier's Anzac Prize - Student Application Portal

The Premier's Anzac Prize provides young Queenslanders with a meaningful opportunity to explore the Anzac legacy. Participants engage in research, workshops, and commemorative activities, culminating in visits to significant memorial sites in the United Kingdom and on the Western Front (France and Belgium), where Australian service personnel made profound sacrifices during World War I.

In preparation for the trip, prize recipients take part in activities such as researching and commemorating service personnel, engaging with their communities, and organizing fundraising projects. These efforts lead to a transformative two-week journey through Europe, visiting key locations that highlight Australia's wartime history and the enduring significance of the Anzac spirit.

The Premier's Anzac Prize is delivered by The Global Engagement team within the Department of Education International, and it is proudly presented in partnership with RSL Queensland
