Lesson

Understand the task

1. Open **Sheet 5** — [Multimodal comparison task](#) to read and review the task.
2. Before recording or sharing your final version of the task, complete a final rehearsal. After the rehearsal, make any required changes or refinements to enhance your presentation.

Complete the multimodal task

3. Record your multimodal comparison using either embedded audio or a video presentation.

You are now at the end of these lessons. How did you go? Take a moment to reflect on news media texts and how they position the audience through empowerment or disempowerment, reading paths, and social, moral and ethical messages.

Next time you read or view a news media text, consider how the author is positioning you to think and whether you accept or reject the author's position. Good luck!
