Review understanding of making comparisons

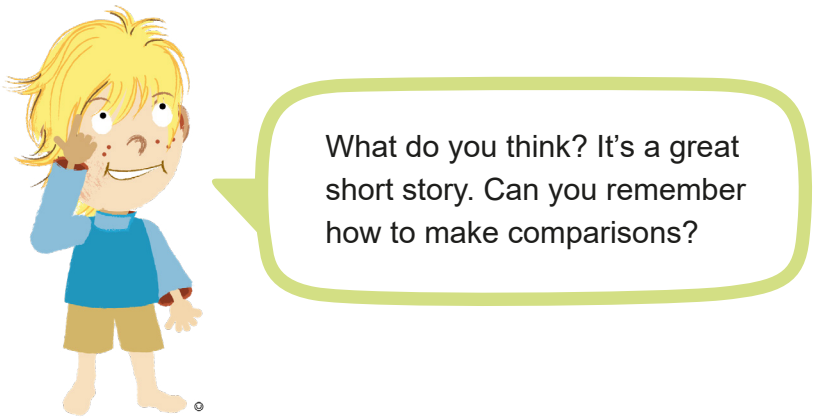

In Lesson 3, you reviewed features of film animations. Now you are going to compare the stop-motion animation ‘Granny dilemma’ and its narrative. Let’s get the show on the road!

1. View the **Video — Granny dilemma**, a stop-motion film.

   This video contains a stop-motion animation about a girl who experiences a dilemma when her granny gives her a birthday present.

2. Open **Sheet 5 —** Granny dilemma and read the narrative story.

Hot tip

A Venn diagram is a graphic organiser that can help you quickly and efficiently compare and contrast the stop-motion animation and the narrative story. It will let you organise the similarities and differences in both texts.

3. Open **Sheet 6 —** Comparing versions of 'Granny dilemma' and complete Task 1.

Give a personal opinion about a text

Note

If you are completing **Sheet 6** digitally, save a copy now into a folder on your computer, otherwise, after the lesson keep this sheet in a safe place to be used in future lessons.
