Compare and contrast words

Sheet 8

Compare and contrast words (comparative conjunctions) are used in formal written comparisons.

Examples:

Granny is a main character in the narrative **as well as** in the stop-motion animation.

In the stop-motion animation Posey discusses her dilemma with her mother **whereas** in the narrative, she does not discuss it with anyone.

Comparison words	Contrast words
same	different
both	on the other hand
alike	but
like	whereas
likewise	instead of
