Curriculum support for students unable to access a school

English Year 5

PACKAGE 11

This package of curriculum resources provides learning opportunities for students to continue their educational development and progress while not being able to access a school.

It is anticipated that the resources could be used in a variety of contexts, including teacher-directed, parent-supported or students working independently.

As students work through these resources, it is important that regular contact be maintained between classroom teachers and parents/students.

No assessment lessons or tasks are included in this package.

Structure

The materials contained in this package include:

- lessons including links to resources
- lesson notes and answers.
