Curriculum support for students unable to access a school

English Year 5

PACKAGE 16

This package of curriculum resources provides learning opportunities for students to continue their educational development and progress while not being able to access a school.

It is anticipated that the resources could be used in a variety of contexts, including teacher-directed, parent-supported or students working independently.

As students work through these resources, it is important that regular contact be maintained between classroom teachers and parents/students.

No assessment lessons or tasks are included in this package.

Structure

The materials contained in this package include:

- lessons including links to resources
- lesson notes and answers.

Lessons

There are four lessons contained in this package. Students will need to complete them in the following order.

- Lesson 1 — Exploring elements of fantasy
- Lesson 2 — Examining language used to represent events
- Lesson 3 — Exploring characterisation
- Lesson 4 — Exploring plot, setting and theme

Resources

In these lessons, students are required to access:

- Baillie, A and Harris, W 2012, *DragonQuest*, Walker Books, Sydney.

If you don't have a copy of this book at home, try some of the following ideas:

- search online for a video of someone reading the book
- join your local or state library to borrow a digital version.

Other required resources are listed in the materials.

Students:

- will need access to everyday stationery supplies, such as pencils, pens, an eraser, colouring pencils, scissors, glue
- may print the worksheets if they have access to a printer, or write responses in an exercise book or on paper
- may need access to an internet search engine to locate particular educational resources or websites.
