Suggestions

Save planet Earth

Conserve Earth's resources

Water

- Turn off the tap
- Use the half-flush on the loo
- Take a short shower

Soil

- Keep soil moist
- Walk on the path

Vegetation

- Water the plants
- Plant in good soil

Air

- Walk to school
- Ride a bike
- Take a bus
- Plant trees

Reduce

- Take only what you need

Reuse

- Use a refillable water bottle

Recycle

- Use plastic bottles to make a garden

Dispose of responsibly

- Put rubbish in the bin, not on the ground

Reduce, reuse, recycle

Save planet Earth for the future
