Help your child to use ‘Find, Highlight, Segment’ strategy to read longer words.

**Find**

I find the letters making vowel sounds in the longer word.

**Highlight**

I highlight the letters making vowel sounds.

**Segment**

I segment the word into syllables and read each syllable, blending them together to say the whole word.

*Remember not to highlight ‘e’ at end of words.*
nonsense  consumer
alliteration  decomposer
exaggeration  sustainable
predator  compromising
nutritional  elements

Your turn to ‘find, highlight, and segment’.
