

# Super Spellers

Super Spellers use the following tips to learn to spell new words.

## Hear it

(Adult says the word)

## Say it

For long words – tap out the parts as you say the word.

Say the word again.

Feel and find the sounds your mouth makes.

What are the sounds? (show one finger for each sound)

## See it

(Adult writes the word)

Look at the word.

## Read it

Read the word part by part - for longer words.

Read all the way to the end of the word.

## Write it

Write a letter or letters for each sound.

Write the word part by part – for longer words.

Remember to say the word as you write it.
