Project Consent Information Letter

Dear Parent / Carer / Legal guardian

Introduction to the Project Consent Form (attached) for the Global Competence through Leadership Student Workshop in September 2022

This letter is to inform you about how the Department of Education (department) will use, record and disclose your or your child's personal information and material. It outlines:

- what information we record; and
- where and how we will use the materials.

Examples of personal information, which may be used and disclosed (subject to consent), include part of a person's name, image/photograph, voice/video recording or year level.

Materials that are created by you or your child, whether as an individual or part of a team, may be replicated in full or modified for purpose. This includes copyright material, including written, artistic or musical works, video or sound recording created in connection with the project.

Personal information may include identifying each person who contributed to the creation. The material and personal information may also represent Indigenous knowledge or culture.

Purpose of the consent

This Project Consent Form relates to the Global Competence through Leadership Student Workshop in September 2022.

It is the department's usual practice to take photographs or record images and occasionally to publish limited personal information and materials for the purpose of promoting Queensland education.

To achieve this purpose the department may use newsletters, its website, traditional media, social media or other new media as listed in the 'Media Sources' section below. The department may also use images on a range of materials including (but not limited to) advertising, marketing materials, presentations and publications.

Because of this, the Project Consent Form provides consent for personal information and a licence for materials to be published online or in other public forums.

The department holds images in its Digital Asset Management Library and these may be used by the Queensland Government to promote a range of initiatives.

The department needs to receive consent in writing before it uses or discloses an individual's personal information or materials in a public forum. The attached form is a record of the consent provided.

Voluntary

It is your choice whether to give consent.

Consent may be withdrawn

Consent may be withdrawn at any time by you.

If you wish to withdraw consent please notify the departmental contact in writing (whether by email or letter). The department will confirm the receipt of your request if you provide an address.

The department will endeavour to take down content that is in its direct control; however, published information and materials cannot be deleted and the department is under no obligation to communicate changes to consent with other entities/ third parties.

Due to the nature of the internet and social media (which distributes and copies information), it may not be possible for all copies of information (including images and materials), to be deleted or restricted from use once published.

Media sources used

The department will publish images and materials on a range of social media, websites and traditional media sources subject to your consent. Please see the following webpage for a full list of sources where the project may be published.

<https://education.qld.gov.au/parents-and-carers/parent-participation/use-images-recordings>

Duration

The consent is ongoing unless you decide to withdraw your consent.

Who to contact

If you have any questions or wish to withdraw consent please contact Global Opportunities at global.opportunities@qed.qld.gov.au.

Please retain this letter for your records and return the signed consent form.

Kind regards
