

# Global Learning Program

## Expression of Interest Form – Queensland

### Opportunity Overview

The Global Learning Program (GLP) enables Queensland teachers to collaborate with an international partner teacher over a 10-week period. Through this program, teachers work together to design learning experiences that foster global competence among their students with reference to a [Sustainable Development Goal](#) (SDG). Participants will engage in online sessions to develop and implement projects focused on cultural exchange and global issues.

### Program Details

GLP is open to Queensland state school teachers who:

- are interested in fostering global competence in their students;
- are prepared to engage in online collaboration with an international partner teacher (dates and time commitment to be decided and agreed upon by partnered teachers);
- are prepared to complete the online Global Competence Training Package (5 hours maximum); and,
- have the availability to complete 2 x 45-minute online program sessions facilitated by Global Engagement.
