Global Passport: Explore the world in 5 days

The Global Passport: Explore the World in 5 Days program offers Queensland Years 4–6 state school students an exciting opportunity to virtually ‘travel’ to new countries from the comfort of their own home.

Participants will connect with experienced university tutors in an engaging online environment, where they will enjoy a fun learning experience over five consecutive days. Through interactive lessons and hands-on activities, participants will experience different cultures through interactive activities, basic language learning, and the exploration of

diverse topics, including food, art, daily life and cultural traditions to broaden their cultural horizons and develop global competence.
