

Global Engagement Department of Education International

Principal Statement - Approval for Participation in the Program

Statement of support for application:

As the Principal, you must disclose all information known to you that is relevant to the applicant's ability to undertake the program and to the work history of the applicant. The applicant will be representing Queensland and their school. In providing your endorsement for this application, please consider the applicant's experience, knowledge and contribution to your school community. Include your knowledge of the applicant's:

- intercultural awareness and a passion for global citizenship
- significant leadership qualities
- openness and confidence to explore new ideas and experiences
- self-discipline and resilience
- ability to represent Queensland when dealing with international partners
- desire to undertake professional development for future career opportunities

If relevant information about the applicant comes to your attention after you have supplied this endorsement, or you are aware of any issues that may prevent this applicant from successfully participating in this program, you are obliged to promptly provide this information to:
global.engagement@qed.qld.gov.au.
