Tokyo Experience School

The Tokyo Experience School is an exciting program that offers Queensland Year 10 students an exciting opportunity to be immersed in the rich culture of Japan, enhance their Japanese language skills and experience life in the vibrant city of Tokyo.

Participants will experience Japanese school life at a local Tokyo high school, where they will practice and develop their language skills through participation in a variety of classes and activities. Participants will also delve into Japan’s rich historical and cultural heritage, visit significant sites and landmarks and engage in industry visits.
