

Tokyo Global Friendship Program

The Tokyo Global Friendship Program, delivered by Global Engagement, within the Department of Education International, offers Queensland Year 10 students an exciting opportunity to be immersed in the rich culture of Japan, develop their Japanese language skills and experience life in the vibrant city of Tokyo.

Participants will experience Japanese school life at a local Tokyo high school, where they will develop their language skills through participation in a variety of classes and activities. Participants will also delve into Japan's rich historical and cultural heritage, visit significant sites and landmarks, and engage in industry visits.

Through this program, participants not only establish their language skills and deepen their appreciation for Japan's rich heritage; they also cultivate the knowledge, skills and cultural awareness needed to thrive in an increasingly interconnected world.
