

Youth Support Coordinator Initiative

List of Accredited Employing Authorities

The Youth Support Coordinator Initiative (YSCI) provides scope to schools to employ a Youth Support Coordinator (YSC) directly, or use the services of an Accredited Employing Authority (AEA) to employ the YSC. AEAs are organisations approved by the department to provide YSC services in Queensland state schools. Schools can contact AEAs that provide the required service/s in their region to negotiate and engage staff for the YSC position.

For further information about the services provided, please contact the AEA directly.
